CERTIFICATION LTD.

LABELLING AND LOGO STYLE GUIDE

ACO CERTIFICATION

LABEL APPROVAL PROCESS

1. Contact the ACO office to request an authorised copy of the ACO Certification logo
2. Read the relevant organic standard(s) and ensure your label complies with the requirements of the standard
 - a. Example: Section 5 'Labelling and advertising', of the National Standard for Organic & Biodynamic produce
3. Ensure any other compliance requirements are met including:
 - a. Food Standards Australia New Zealand (FSANZ) labelling requirements
 - b. Any importing country requirements
 - c. Any other regulatory requirements
4. Submit your draft artwork to ACO
5. Your label will be assessed and approved by a Certification Officer who will issue a label approval letter with an endorsed copy of your label artwork.
6. If you make any changes, additions or omissions to your approved label, you will need to send the updated artwork to ACO for reapproval.

Other Information

1. The ACO logo may be resized to suit your requirements, but it must always be clearly legible when displayed in print or online.
2. The ACO Certification number must always be clearly legible on the label.
3. Requests for colour variations will be assessed on a case-by-case basis.
4. Label approval costs are published on the ACO fee schedule available on our website.
